

Polish treats

Ciaté Buff Stuff is perfect for beginning a polish treatment - laced with jojoba beads and shea butter. Buff this creamy exfoliator into the nail for deep purification during the preparation stage of a manicure.

14ml £3.50 + VAT/ RRP £8.25

For normal nails, there are a whole host of **Salon System** products to choose from - **Matt Base coat** (£2.75) with silica for a protective film, **Glossy Top Coat** (£2.75), which boasts a strong acrylic for longer lasting colour; and for extra speed, there's **Whoosh** (£3.15), a quick drying top coat.

First Base from **Essie** is a great treat for normal nails before colour polish is applied. Its adhesive ingredients bind polish to nails for less chipping and increased wearability. £4.05 + VAT/RRP £8.75

To keep a treatment and manicure fresh until the next service, suggest **Jessica's Brilliance**. This top coat varnish gives a wet-look finish, plus it dries in 60 seconds, making it ideal for on-the-go touch-ups. £5.13 + VAT/RRP £9.75
