

# Ooh la la!

Salon System has launched four new French Manicure shades in their Nail Color collection.

The new and improved formulation has been designed to give a long lasting, hard wearing finish to the nail, creating a stunning sheer colour.

New to the Nail Color Palette are French White, a snow white polish that creates a crisp French tip; French Natural, a delicate nude shade designed to give the nail a subtle, clean finish; French Pink, a sheer pink polish for a beautiful sheen; and French Lilac, a delicate lilac shade with a beautiful shimmer.
